

Exhibit A Equipment Label

I. Equipment Label

Part Number Legend	FCC ID	Used On	
385700-0040-001	KUWMDL2400MDR	385700-1000	Mobile Data Radio
385700-0040-002	KUWMDL2400BDR	385700-3000	Base Data Radio
385700-0040-002	KUWMDL2400BDR	385700-4000	Distribution Line Amplifier

This drawing represents the label that will be placed on the equipment. The labels will be printed on a material which has been selected to last the life of the product.

II. Label Location

The following drawings represent the labels that will be affixed to the 385700-1000 (Mobile Data Radio – MDR), the 385700-3000 (Base Data Radio – BDR), and the 385700-4000 (Distribution Line Amplifier – DLA). The MDR label will be located on the side of the MDR enclosure. The BDR label will be on the back panel of the BDR enclosure. The DLA label will be located on the side of the DLA enclosure next to the heat sink.
