RE: Application for Approval

SU: FCC ID: N7R-CM-AER
Model: AIR I/O CM

Applicant: **TELXON CORPORATION**
8302 New Trails Drive
The Woodlands, TX 77381

Dear Customer Representative,

On behalf of Telxon Corporation we respectfully request that you accept and approve this application for the above product. We have enclosed a Letter of Agent Authorization from Telxon Corporation authorizing Wayne Langston, Inc. to submit this application for approval on their behalf. Enclosed is a letter from Telxon Corporation "REQUESTING CONFIDENTIALITY" on the information submitted with this packet.

Enclosed within this application packet, is a check (# 13158) from Wayne Langston, Inc., payable to the Federal Communications Commission for the full amount of \$1120.00 (One thousand one hundred twenty dollars and zero cents) for the processing of: Grantee Code Application(\$45.00), Request for Confidentiality (\$135.00), and Certification application (\$940.00) fees for the above product.

Please note that the grantee code was requested via the on-line inquiry. I have enclosed a copy of the printed confirmation number, date, etc. All reports have this number inserted in the report as the approved Grantee Code.

If you should have any further questions or problems with this submittal, please do not hesitate to contact us.

Cordially,

Wayne Langston
President
