**Subject: Request for Dismissal of [FCC ID: CH8727827](#)**

Dear Sir or Madam:

We, Westell Inc, hereby requests the dismissal of the grant for FCC ID: CH8727827 issued on 04/04/2024.

The specific reasons for this dismissal request are as follows:

Originally, we obtained FCC certification for this product as a single device (Only Equipment class: B9B). However, for more effective operation, we have decided to add the frequency bands, DL: 862-869 MHz and UL: 817-824 MHz for (Equipment class: B2I) by Software and we hope to have this product certified as composite device.

We confirm that the product has not been marketed or sold in the US or sold in any other country labeled with that FCC ID.

Please process this request for dismissal at your earliest convenience. Should you require any additional information, please do not hesitate to contact me.

Sincerely,

-----
