Getting started only takes a few easy steps.

1. Create an Iris account through the **irisbylowes.com** web portal, iOS app or Android app.
2. Once logged in to your account, select the "+" icon to add a device.
3. Follow the pairing steps.

Mounting your device:

Use included screws, or add the mounting adhesive strip to the back of the mounting bracket. Press and hold the mounting bracket against your preferred clean, dry surface for 10 seconds. Place the Keypad onto the mounting bracket and secure.

SMART HOME + SECURITY

Welcome to Iris.

Thanks for purchasing the Iris Smart Keypad. Mount the Keypad in an accessible area in your home so you can arm and disarm your security system, and receive notifications on who is coming and going.

For more information about your new device or tips on how to set it up, visit our support page at irisbylowes.com/support.
