Subject: Cover Letter for FCC application for Certification

To whom it may concern:

This **Model WT-1** is a part of the Garrett Z-LYNK Wireless Digital Transmission System operating in the 2.4GHz ISM band. It is used with Garrett Metal Detectors hand-held hobby line of metal detectors, is powered by a rechargeable 3.7 volt battery, receives audio from the detector via a short cable plugged into the headphone jack, and transmits that audio wirelessly to a receiver (WR-1) which the user plugs his headphones into.

This is to seek an original Certification on the **Model WT-1** as compliant with FCC 15.247.

FCC ID: DBDZLYNKWT1000

Sincerely,

Robert Podhrasky
Sr. VP, COO
