[illegible]

An exploded view of the components of a custom-built handheld device, laid out on a blue surface next to a metal ruler. The components include: a long black plastic housing with a grid of mounting holes and a central cutout; a small black printed circuit board (PCB) with various electronic components; a blue rectangular battery pack with a red and black wire; and two black plastic mounting brackets with circular holes and small metal pins. The ruler shows measurements in centimeters, with the device components spanning from approximately 25 cm to 65 cm.
