Attention: Application Examiner

RE: Request for Confidentiality
Applicant: 75F, Inc.
FCC ID: 2AVZO-100083

To Whom It May Concern:

Permanent Confidentiality

Request is hereby submitted by 75F, Inc. to withhold permanently from public review certain portions of the application for equipment certification for the referenced FCC identifiers. This request for confidentiality is made pursuant to 47 CFR 0.457(d) and 0.459 of the FCC Rules. In particular, the following sections of the application are to be kept permanently confidential:

- **Schematics**
- **Detailed Block Diagrams**
- **Detailed Operational/Functional Description**

NOTE: The above documents contain proprietary design information which is not intended for release to the general public, including competitors.

Rationale for request for confidentiality:

75F, Inc. has invested considerable time and materials in research and development to produce the referenced product. [*Permanent confidentiality:* Disclosure of the permanently confidential portions of this application to competitors would not only give them significant competitive advantages in developing similar products, but would also disclose successful implementation of unpublished, leading-edge technology developed by us.]

[*For FCC certification:* The fee for confidentiality has been submitted along with the fee for certification.] If you have questions or need further information, please contact the undersigned.

Sincerely,

A handwritten signature in dark ink, appearing to read "Alex Schwalbe", with a long horizontal flourish extending to the right.

Alex Schwalbe
Quality Engineer
