

This application was originally reviewed as FCC ID: QG8GBU301. It was not granted because the grantee code was lost due to non-payment. The original comments and response were all addressed as QG8BU301 and would have been granted 7/30/02 if it had not been for the grantee code issue. The application was then updated for grantee code QLE and resubmitted. Payment was not completed until week of 9/9/02.

ITS uploaded this application as FCC ID: QLEGBU301.
