

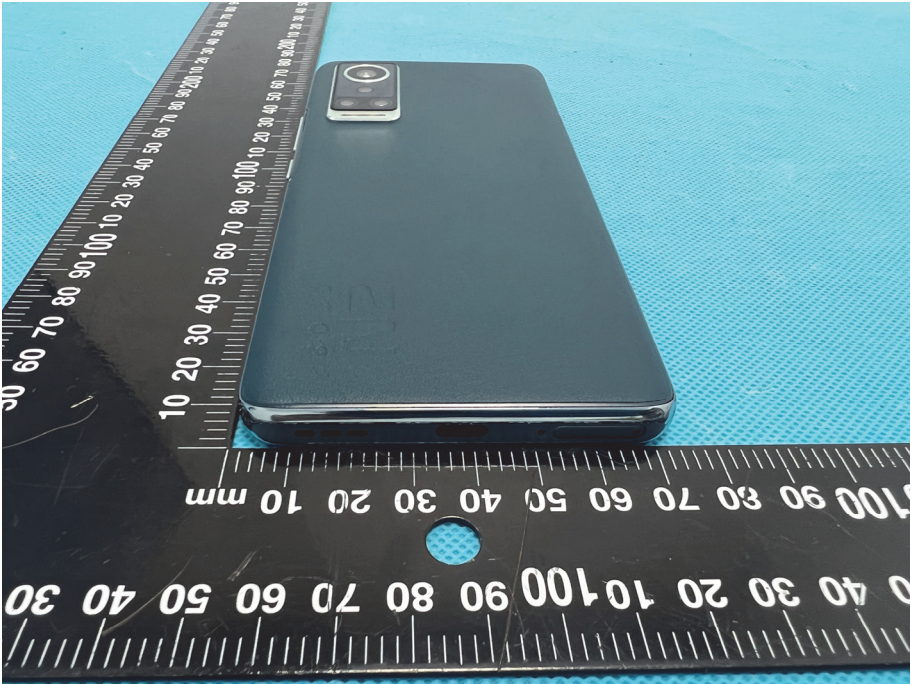

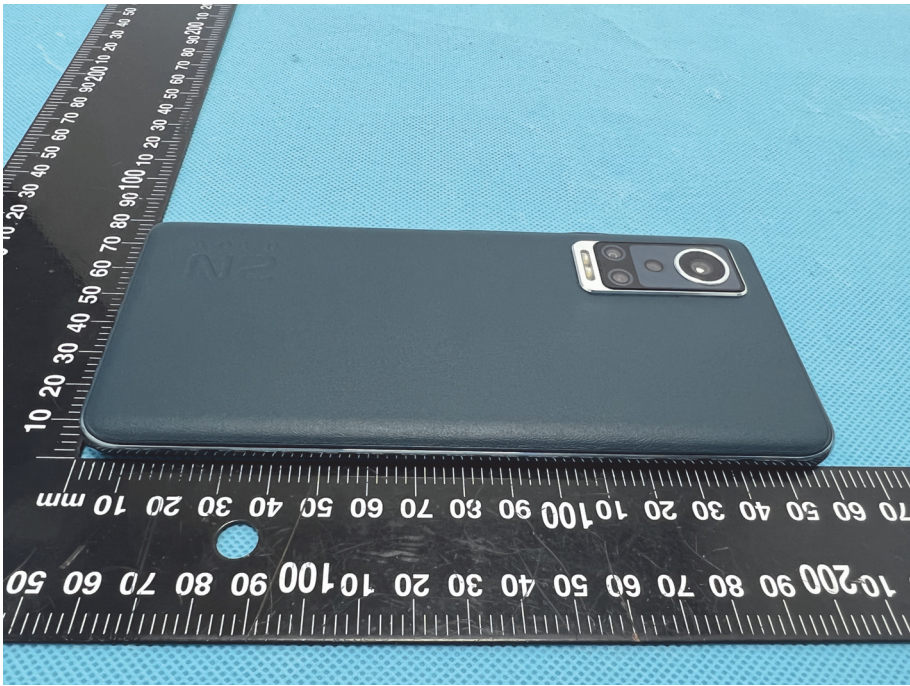

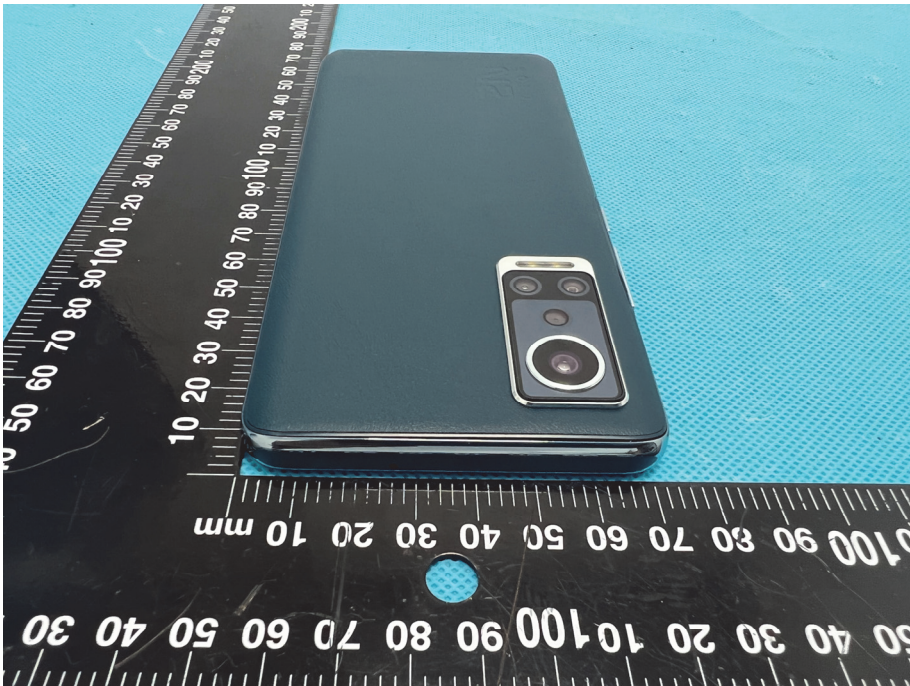

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	
EUT View 2	

EUT View 3	 A photograph showing the back of a dark blue smartphone. The phone is positioned vertically next to a black ruler. The ruler has white markings in centimeters and millimeters. The phone's camera module is located in the upper left corner of the back. The background is a blue textured surface.
EUT View 4	 A photograph showing the side of a dark blue smartphone. The phone is positioned horizontally next to a black ruler. The ruler has white markings in centimeters and millimeters. The phone's edge is visible, showing a metallic finish. The background is a blue textured surface.

EUT View 5	 A photograph showing the back of a dark blue smartphone. The phone is positioned horizontally on a light blue textured surface. To the left of the phone is a black ruler with white markings in centimeters and millimeters. The camera module is visible on the upper right side of the phone's back. The ruler shows the phone is approximately 15 cm wide.
EUT View 6	 A photograph showing the side of a dark blue smartphone. The phone is positioned vertically on a light blue textured surface. To the left of the phone is a black ruler with white markings in centimeters and millimeters. The camera module is visible on the upper side of the phone. The ruler shows the phone is approximately 15 cm high.
