

\$Saulbandy
1 YEAR
GLOBAL
WARRANTY

1. This warranty is valid for the first year of use of the product. It covers the product against manufacturing defects and material defects. It does not cover damage caused by misuse, accidents, fire, theft, or other external factors. The warranty is void if the product has been modified or repaired by unauthorized personnel.

2. In the event of a claim, the user must provide proof of purchase and a detailed description of the defect. The warranty may be exercised at the user's discretion, either by repair, replacement, or refund. The user must contact the manufacturer or the authorized service center to initiate the claim process.

3. The warranty is valid worldwide. The user must provide a valid identification document and a copy of the warranty card. The warranty is not transferable to subsequent owners. The manufacturer reserves the right to modify the warranty terms without notice.

4. The warranty is subject to the following conditions: the product must be used in accordance with the instructions for use; the product must be kept in good condition; the product must be used for its intended purpose; the product must be used in a dry and clean environment; the product must be used at a temperature between 5°C and 35°C; the product must be used at a humidity level between 30% and 70%.

5. The warranty is not valid for the following components: batteries, filters, consumables, and accessories. The warranty is also not valid for products that have been used in commercial or industrial environments. The warranty is also not valid for products that have been used in extreme environments.

6. The warranty is not valid for products that have been used in a way that is not intended by the manufacturer. The warranty is also not valid for products that have been used in a way that is not specified in the instructions for use. The warranty is also not valid for products that have been used in a way that is not approved by the manufacturer.

7. The warranty is not valid for products that have been used in a way that is not intended by the manufacturer. The warranty is also not valid for products that have been used in a way that is not specified in the instructions for use. The warranty is also not valid for products that have been used in a way that is not approved by the manufacturer.

8. The warranty is not valid for products that have been used in a way that is not intended by the manufacturer. The warranty is also not valid for products that have been used in a way that is not specified in the instructions for use. The warranty is also not valid for products that have been used in a way that is not approved by the manufacturer.

9. The warranty is not valid for products that have been used in a way that is not intended by the manufacturer. The warranty is also not valid for products that have been used in a way that is not specified in the instructions for use. The warranty is also not valid for products that have been used in a way that is not approved by the manufacturer.

10. The warranty is not valid for products that have been used in a way that is not intended by the manufacturer. The warranty is also not valid for products that have been used in a way that is not specified in the instructions for use. The warranty is also not valid for products that have been used in a way that is not approved by the manufacturer.
