

Covering letter for FCC Form 731 Attachments

FCC ID OQL-PAC-LP

Confirmation number EA95516

The technical report is submitted in two parts.

Part 1 (techrep1.doc) comprises:

1. Introduction
2. Contact Details
3. References
4. Block Diagram
5. Circuit Description
6. Description of Peripherals
7. External Photos (with label positions)
8. Labels

Part 2 (techrep2.doc) comprises:

9. Confidential: Schematic Diagram
10. Confidential: Parts List
11. Confidential: Internal Photos (pre-potting)

The unit is supplied encapsulated in hard potting the circuit features are not evident from inspection. It is therefore requested that part 2 of the technical report remains confidential.
