Request for Confidentiality

This letter serves as an official request for confidentiality under FCC Rule Section 0.459. We hereby request that the following documents required to be submitted with this application be held permanent confidential:

- Schematics
- Block diagram
- Bill of Materials
- Operational description

These materials contain trade secrets and proprietary information and are not customarily released to the public. The public disclosure of this information might be harmful to the company and provide unjustified benefits to our competitors.

Short Term Confidentiality

In accordance with FCC Public DA 04-1705, we request 180 day short-term confidentiality, starting from the issuance of equipment authorization date, for exhibits that contain:

- (1) External Photographs
- (2) Internal Photographs
- (3) Test Setup Photographs; and
- (4) User Manual

These exhibits contain pre-market information, which could give our competitors unfair advantage should this information be released before this product is actually introduced into the common marketplace.
