View 3

Solder Board-Component View 4	 A photograph of a black printed circuit board (PCB) populated with various electronic components. The components include integrated circuits, capacitors, and connectors. A ruler is placed horizontally below the board, showing measurements in millimeters. The board is set against a blue background.
Solder Board-Component View 5	 A photograph of the same black PCB from a different perspective, showing the underside or a different section. It features large copper-colored pads and various soldered components. A ruler is placed horizontally below the board, showing measurements in millimeters. The board is set against a blue background.
