**Class III Permissive Change for FCC ID: 2ATQRSMODBV3S, grant date: 2023-11-30**

To whom it may concern,

This is to request a Class III Permissive Change for the above referenced device. The change filed under this application is:

- Implement Zero Wait DFS feature via embedded software

Except the change described above, the design and hardware are exactly the same as the originally granted equipment. Other DFS mechanisms and Software security remain unchanged from the original application.

Sincerely,

Michael Green
