RE: Correspondance #29582
Model/FCC ID: CB2044LHL3
Form 731 Confirmation #EA587547

Dear Ms. Elliot,

As you point out, the label information does not conform to Section 2.925(a) of the FCC rules applicable to this device. We have corrected the drawing information and submitted a new label drawing named "label.pdf" for your review.

Sincerely,

A handwritten signature in black ink, appearing to read "Jeremy P. Bos", with a stylized flourish at the end.

Jeremy P. Bos
Lead Engineer (EMC/RF)
Johnson Controls Interiors, LLC.
