Dear Dan,

Subject: TCB Services Digital Base Station Transceiver – TBCC0E. Class II permissive change

As per Elite Quotation EEE1704020-1 please carry out FCC Class II permissive change certification for our digital base station transceiver:

- FCC ID: CASTBCC0E

This Permissive Change is required to extend the frequency band of operation to 217-220 MHz (B Block frequencies under part 80) in addition to the 220-222 MHz (part 90) on the original FCC Grant.

I will upload the files that are required by the FCC to you by email.

Yours sincerely

A handwritten signature in black ink, appearing to read "David Jackson".
