Declaration Letter of professional installation

Date: December 28, 2023

UL Verification Services Inc.
47173 Benicia Street, Fremont, CA 94538

FCC ID : AZDFM3L998
Applicant: Canon Inc.

To whom it may concern:

Please be advised Wireless LAN Module, model: FM3L998 is intended to be mounted inside of our own host system professionally. Although this transmitter module has a capability for the Bluetooth function, the testing is not conducted as the Bluetooth function is disabled by the software of the host device.

As regards the detailed conditions for installation, please refer to "Theory of Operation-Interface specification".

Thank you for your attention to this matter.

Sincerely,

Takashi Yoshida
