Federal Communications Commission  
Equipment Authorization Branch  
7435 Oakland Mills Road  
Columbia, MD 21046

To whom it may concern,

The following application is submitted by Multi-Tech Systems, Inc. for a Class II Permissive Change. This pertains to the RBS304 host device containing the Murata module FCC ID AU792U22F10870.

The purpose of this application is to add a new antenna and to utilize the RBS304 in portable exposure conditions ( $\leq 20$  cm separation distance from the user). The Murata 1SJ radio module will be used in the host device model RBS304 and shall operate in the 902-928MHz per FCC 15.247

Sincerely,
