Solder Board-Component View 1	 A photograph showing a green printed circuit board (PCB) with various electronic components, including a microcontroller, capacitors, and resistors. The PCB is connected to a circular component with a yellow wire. A black ruler with white markings is placed below the PCB for scale. The background is a blue textured surface.
Solder Board-Component View 2	 A photograph showing the same green PCB and circular component from a different angle. The circular component is now a dark, flat disc. The yellow wire is still visible. A black ruler with white markings is placed below the PCB for scale. The background is a blue textured surface.
