**Subject:** Request for Class 2 Permissive Change

**FCC ID:** 2AF2N-SNSS

**To Whom It May Concern:**

We hereby request a Request for Class 2 Permissive Change for our Philips SNS-441 Sensor (FCC ID: 2AF2N-SNSS). There is no change to the design or its components; we only intend to implement Bluetooth functionality to the existing design through a software update.

The software update is intended to be implemented in the field only by trained professionals and will be used to facilitate commissioning. This functionality will not be available to the normal end-user.

Sincerely
