to act on my behalf in all matters relating to the application for authorization of the equipment,

Model(s): DR100-V3
FCC ID: VC3-DR100V3
IC ID: 7160A-DR100V3

at the Federal Communications Commission (FCC) and Industry Canada (IC) and according to the applicable FCC and IC rule parts.

We confirm that we are aware of the responsibilities of applicants / grantees related to the authorization of the identified equipment, including those applying for the period after the authorization has been granted and that those responsibilities still reside with us.

I certify that I am authorized to sign this application. All of the statements herein and the exhibits attached hereto are true and correct to the best of my knowledge and belief. In accepting a Grant of Equipment Authorization issued by the TCB, under the authority of the FCC, as a result of the representations made in this application, the applicant is responsible for (1) labeling the equipment with the exact FCC ID specified in this application, (2) compliance statement labeling pursuant to the applicable rules, and (3) compliance of the equipment with the applicable technical rules. If the applicant is not the actual manufacturer of the equipment, appropriate arrangements have been made with the manufacturer to ensure that production units of this equipment will continue to comply with the FCC's technical requirements.

Authorizing an agent to sign this application is done solely at the applicant's discretion; however, the applicant remains responsible for all statements in this application.

If an agent has signed this application on behalf of the applicant, a written letter of authorization which includes information to enable the agent to respond to the above Section 5301 (Anti-Drug Abuse) Certification statement has been provided by the applicant. It is understood that the letter of authorization must be submitted to the FCC upon request, and that the FCC reserves the right to contact the applicant directly at any time.

If you have any questions, please do not hesitate to contact us at +1 623-582-4626.
