Re: Request to withhold portions of certification application from public view  
FCC Rule Part: 0.459

Applicant: Alvarion Ltd.

FCC ID: LKT-ASU-900

Dear Mike,

On behalf of my client Alvarion Ltd. I request the following documents be withheld from public view:

Schematics  
Block diagram  
Theory of operation

Alvarion has invested considerable resources in the design and execution of this product and as such, other manufacturers would be afforded an unfair competitive advantage were the referenced documents to be made easily available.

If you have questions or need further information, please contact the undersigned.

Sincerely,

THOMAS N COKENIAS  
Agent for Alvarion Ltd.
