PAIRING INSTRUCTIONS

Make sure the Bluetooth function is available on your cell phone. Specific pairing procedures will be different depending on different cell phone. For detailed information, please refer to your cell phone's User Guide.

If no device connection is made within 5 minutes of the earbuds being switched on, the earbuds will automatically be switched off to save power. After a successful pairing devices will memorize each. Therefore, no pairing will be needed next time.

1. Keep the distance between the cell phone and Tzumi SOUNDMATES within 3 feet (for pairing only).
2. Choose the **PRIMARY** SOUNDMATE you would like to use to answer/end calls. Press and hold the multifunction button until you hear the "Power On" prompt.

3. Activate the Bluetooth function of the pairing device and select "Tzumi SoundMates" from device list displayed.

4. After successful pairing, turn on the Secondary SOUNDMATE. You will hear the prompt "Team Successful". Both earbuds are now paired successfully.

CHARGE SOUNDMATES & CASE

Place SOUNDMATES into the case and close lid. They will charge automatically. The LED light will turn solid BLUE while charging. The LED light will turn off when charge is complete.

Plug the micro-USB cable into the bottom of the case to charge case. The LED light will flash GREEN while charging. The LED light will remain solid GREEN when charge is complete.
