EUT – LTE Module Label View

The image shows the label of a Sierra Wireless AirPrime™ 4G LTE module. The label is white with black text and a barcode. It includes the following information:

- Sierra Wireless AirPrime™
- Model: MC7354
- QUALCOMM® 4G
- PRODUCT OF CHINA
- IMEI: 359225052353612
- J8541402100210
- 1102016
- FCC ID: N7NMC7355
- IC 2417C – MC7355
- ★

The module is a green printed circuit board (PCB) with a gold-plated edge connector. It has three gold-plated SMA connectors on the right side, labeled MAIN, GPS, and AUX. The PCB is populated with various components, including a large black integrated circuit (IC) labeled QUALCOMM MDM9615 0VV DN930C C053305.

EUT – LTE Chip View

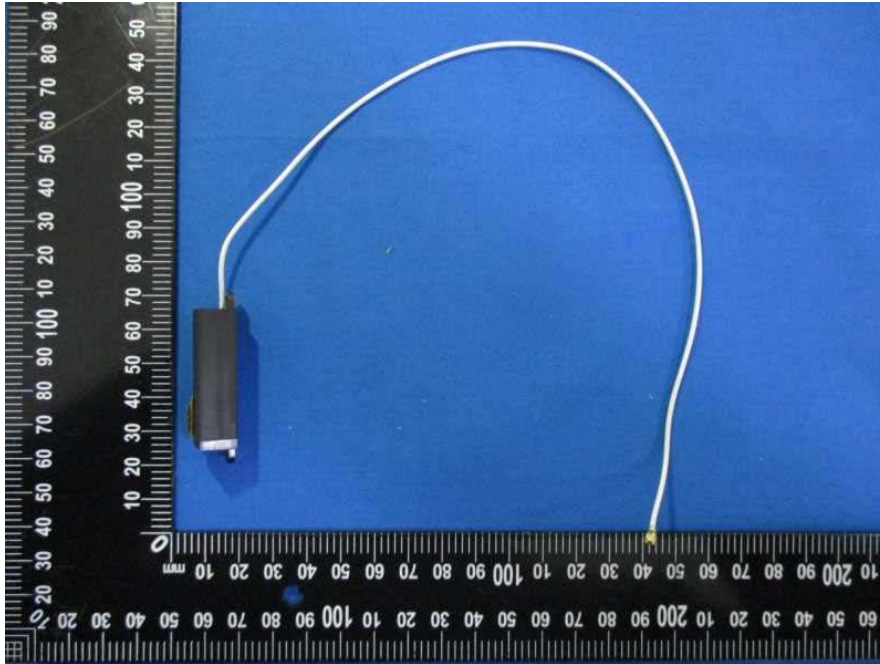

The image shows the chip view of the Sierra Wireless AirPrime™ 4G LTE module. The module is a green printed circuit board (PCB) with a gold-plated edge connector. It has three gold-plated SMA connectors on the right side, labeled MAIN, GPS, and AUX. The PCB is populated with various components, including a large black integrated circuit (IC) labeled QUALCOMM MDM9615 0VV DN930C C053305. Other components visible include a black IC labeled WTR602L 0VV 7R521R5 BC51001, a black IC labeled AL10526 42801A 1534FH, and a black IC labeled 42801A 1534FH. The PCB is also populated with various passive components, including capacitors and resistors.
