

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	 A photograph showing a black handheld electronic unit (EUT) with a circular sensor area on its front face. A coiled black cable with a USB connector is placed next to it. A black ruler with white markings is positioned vertically and horizontally to provide scale. The background is a light blue textured surface.
EUT View 2	 A photograph showing a side view of the black handheld electronic unit (EUT). The device has a cylindrical body with a circular sensor area on the front. A black ruler with white markings is positioned vertically and horizontally to provide scale. The background is a light blue textured surface.

EUT View 3	 A black handheld device, likely a barcode scanner or similar electronic unit, is shown from a top-down perspective. It has a rectangular body with a circular sensor or lens on the front face. A black ruler with white markings is placed horizontally next to the device for scale. The ruler shows measurements in millimeters and centimeters, with a 200mm mark visible. The background is a solid blue surface.
EUT View 4	 A side view of the same black handheld device. It shows the ergonomic handle and a trigger mechanism. The device is positioned next to a black ruler with white markings for scale. The ruler shows measurements in millimeters and centimeters, with a 200mm mark visible. The background is a solid blue surface.
