Re: Purpose of change

Applicant: Novatel Wireless, Inc.

FCC ID: PKRNVWMCD3000

To whom it may concern,

On behalf of Novatel Wireless, Inc. I respectfully request that this application be reviewed for Class II Permissive Change. The difference in this filing and the original is only the addition of a USB cable between the EUT and the support PC for the emissions and SAR testing.

Sincerely,  
David J. Schramm
