

· SPECS

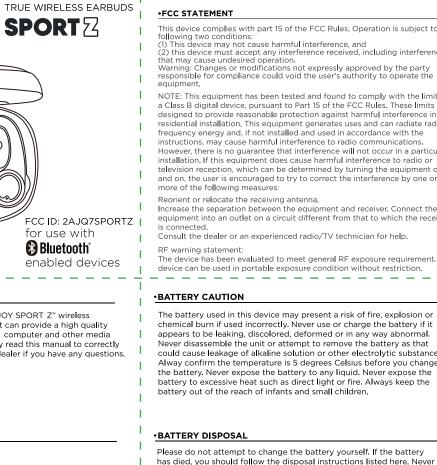

Bluetooth Version: 5.3 Operating distance: 32ft

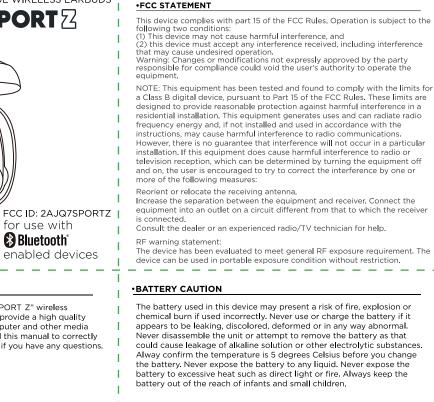

Impedance: 32 Ω Sensitivity: 100±3dB SPL at 1kHz

Frequency response: 20-20,000Hz Battery capacity: 40 mAh each earbud

Charging Box Capacity: 400 mAh Charging Time: 1 hour for earbud, 2 hours for charging box Playtime: Up to 15 hours

Driver unit: 10 mm

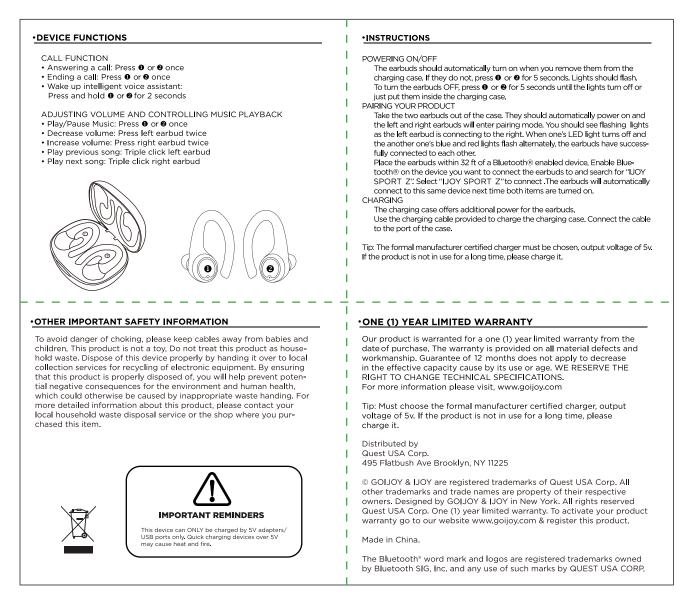

dispose of used batteries/electronics with ordinary solid wastes. Always dispose of used batteries/electronics in accordance with the prevailing

battery/electronics disposal, please dispose of the device in a waste bin

for electronic devices. Many electronics retailers now recycle batteries and other electronic components at no charge.

community regulations that apply to the disposal of batteries/electronics. If there are no local regulations concerning

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation.

If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- -- Reorient or relocate the receiving antenna.
- -- Increase the separation between the equipment and receiver.
- -- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- -- Consult the dealer or an experienced radio/TV technician for help.

Warning: changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment

The devices has been evaluated to meet general RF exposure requirement, the device can be used in portable exposure condition without restriction
