Adaptor

- PREREQUISITES -

(User Provided)

- 1 A computer or laptop
that had internet access.

- 2 Local network (wireless) with internet access
(will require access rights if protected) or an
Android phone (Android 2.3.5 or later)
with internet access.

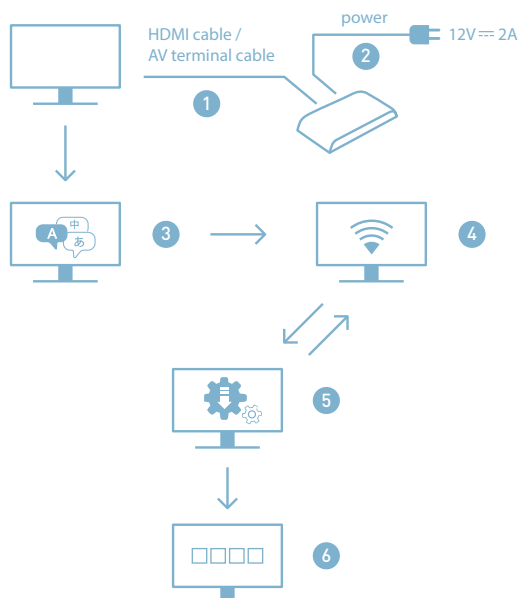

- 3 A display (TV or monitor) with
HDMI input connection.

Gmail

- 4 A valid gmail account

- INSTALLATION -

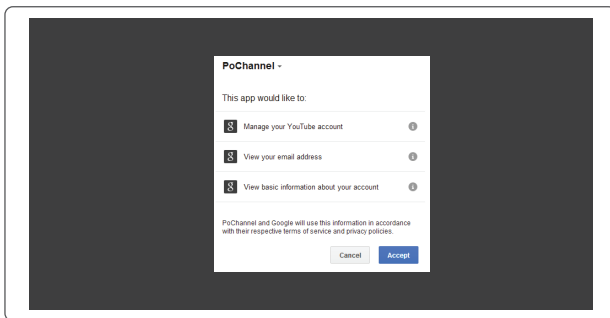

- 1 Connect HDMI cable to UtubeBox HDMI connector and display's HDMI input connector.
- 2 Connect the power adaptor provided to UtubeBox and to a household wall power.
- 3 A language selection prompt will show. Select your preferred language.
- 4 Detected WiFi signals will appear. Select the WiFi signal you want to connect to, enter password.
- 5 An installation download message should appear and if not, please go back to previous step and try to connect to the internet again (make sure the username / password are correct).
- 6 When the installation download is complete (download time may vary according to your internet environment), it will display a set of "Pin Number" on the screen. Jog down this number for registration purposes.

- REGISTERING YOUR PO CHANNEL -

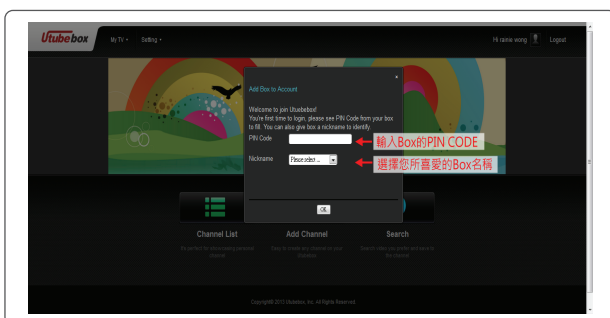

- ON COMPUTER -

- On your computer, open a browser and go to https://www.utubebox.com/?c=index_login
- Click on "Google Login" in the top right corner of the screen and login with your valid gmail account

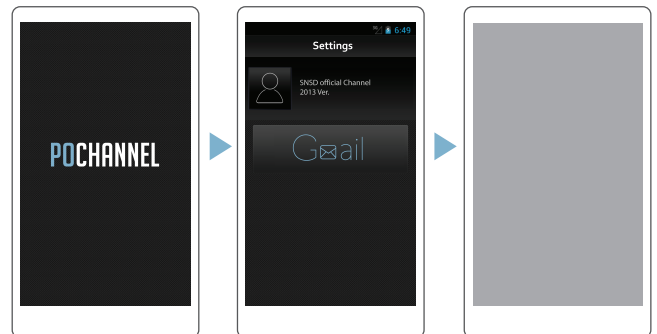

- When logged in, click on "Accept" to authorize UtubeBox access to your account.

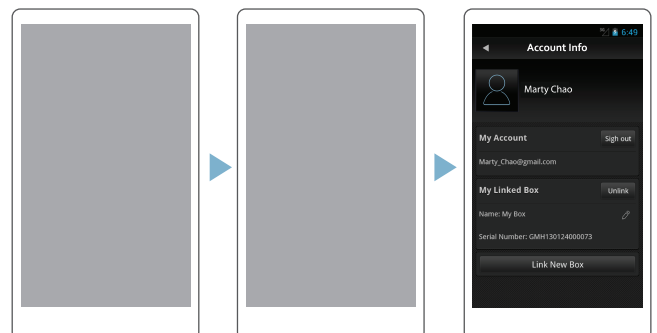

- USING ANDROID APP -

- Go to Google Play store and search for utubebox and install the APP, or enter the following link : <https://play.google.com/store/apps/details?id=com.gemtek.youtubeboxapp>
- Make sure your Android phone is connected to the internet.

Startup the Utubebox APP and enter your gmail account details

- When logged in, click on "Accept" to authorize UtubeBox access to your account.

The APP will automatically switch to the language currently used on your phone (the APP supports Eng, JPN, CHS, CHT)

Click on "Manage UtubeBox" and a prompt asking for "Activation code" will appear.

Enter the "Pin Number" you jogged down earlier into the "Activation code" field and click "Submit" to complete the registration process.

You may begin using your Android phone to search for your favorite videos on Youtube!

For detail App and software functionalities, please refer to the User Manual (available online *provide hyperlink)
