Re: FCC ID H9PMC9090

Subject: Response to Correspondence Reference Number: 29270, 29271, 29272, 29286, 29287, 29288
(Confirmation Numbers EA382258, EA574219)

Diane,

Each question you raised is followed by a response.

Regarding reply to ea382258 corresp 29073 question 3, SAR report contains 5.3-GHz-band device test SAR data, but does not contain 5.3-GHz-band SAR system verification. Please explain and/or revise.

[A system verification report has been uploaded as an exhibit titled "H9PMC9090 RF Exposure2.pdf"](#)

Best Regards,

A handwritten signature in dark ink, appearing to read "David Heald". The signature is written in a cursive, flowing style.

David Heald
