Xiaomi Communications Co., Ltd.

Xiaomi Communications Co., Ltd. attests that this client device, FCC ID: 2AFZZPX3DG, complies with device protocol requirements and operational restrictions: for indoor client 6XD

- 1. The device will only associate and connect with a low-power indoor access point or subordinate device and never directly connect to other client devices.
- 2. This device will always initiate transmission under the control of a low-power indoor AP or subordinate except for brief transmissions before joining a network. These short messages will only occur if the client has detected an indoor AP or subordinate operating on a channel. These brief messages will have a time-out mechanism such that if it does not receive a response from an AP it will not continually repeat the request.
- 3. Transmissions will be lower or equal to the power advertised by the indoor low-power access point or subordinate and never above the maximum output power allowed by the FCC grant for equipment class 6XD.
- 4. Prohibited for control of or communications with unmanned aircraft systems, including drones.
