Subject: Acknowledgment of exhibit exposure

We,

Pegatron Corporation acknowledge that previous Short Term confidentiality for FCC ID: VUUITV8100 was ending at 07/06/2015, and the exhibit initially tagged with Short Term confidentiality have been published for about 16 days in the FCC database, however this was not our intention. We understand that the following exhibits:

- External Photos
- Internal Photos
- Test Setup Photos
- User manual

have been exposed meanwhile for a few days, however we ask to hide these exhibits again for an extended period of 180 days for the same important reasons as explained in the initial Short Term confidentiality letter as uploaded in the original FCC application FCC ID: VUUITV8100, and as re-stated in the renewed Short Term confidentiality letter as uploaded into this filing.
