Federal Communications Commission
7435 Oakland Mills Road
Columbia, MD 21046

Gentlemen:

IPMobileNet, Inc. would like to request a Permissive Change on Data Mobile Radio MI7-M32450-25. The reason for the change is to add Part 22 compliance over the same frequency range as our existing part 90 compliance.

The radio has had no modifications since our initial Part 90 testing and certification in August 2004.

Sincerely,

Eric Tanner
Vice President, Operations
