Solder Board-Component View 7	 A photograph of a small green printed circuit board (PCB) component. The board is rectangular with a notch on one side and features several surface-mounted components, including two gold-colored pads and a small integrated circuit. It is positioned next to a black ruler with white markings in millimeters, showing a scale from 0 to 100 mm.
Solder Board-Component View 8	 A photograph of a larger green printed circuit board (PCB) component. The board is rectangular with a notch on one side and features a variety of surface-mounted components, including a central integrated circuit, several resistors, capacitors, and a small digital display. It is positioned next to a black ruler with white markings in millimeters, showing a scale from 0 to 100 mm.
