To whom it may concern,

We, MSA Innovation, LLC, grantee of our wireless module FCC ID **P9R-2564C**, Model **BT-2564C** pursuant FCC §2.1043 and FCC Rule Part 15.247, hereby request a Class 2 Permissive Change under the same FCC ID as described below:

- Our module with FCC ID **P9R-2564C**, Model **BT-2564C** is being installed in the body-worn portable G1 SCBA host device, intended to be used with a separation distance of less than 20 cm from persons.

Thank you,

A handwritten signature in black ink, appearing to read "Clinton S. Fleming". The signature is written in a cursive, flowing style.
