QUICK START GUIDE WELCOME TO WYZE Well, hello there! If this is your first Wyze product, welcome to the Wyze family! Whether you bought Wyze Bulb White to control your lights by voice, find the perfect ambiance, or improve your selfie game, you have made a great choice. Now let's get started! IN THE BOX Wyze Bulb White Quick Start Guide SETUP 1 Download the Wyze app and sign in or create an account. Download on the App Store GET IT ON Google Play 2 Open the Wyze app and tap the + sign on the top left corner of the Home tab. Tap Add Device and then select Wyze Bulb White. 3 Follow instructions in the app to complete setup. Important: • Make sure that the power is off when installing or removing the light bulb. • Do not use this product with a dimmer (e.g. a desk lamp with a dimmer switch) to avoid damaging the product. • Risk of electric shock - Do not use where directly exposed to water. • Do not use in a narrow or poorly ventilated light fixture. • Not for use in totally enclosed luminaries. • Not for emergency lighting. • Vérifier que le courant est coupé avant d'installer ou d'enlever l'ampoule. SPECIFICATIONS Model: WLPA19V2 Size: 60 mm x 60 mm x 113 mm Rated power: 9.5 Watts Lumens: 30-800 Lumens Base type: E26 Working voltage: AC 120V~60Hz Color temperature: 2700K - 6500K FCC ID: 2AUJUWLPA19V2 IC: 25466-WLPA19V2 Life expectancy: 25,000 Hours Communication mode: 802.11 b/g/n, 2.4 GHz Bluetooth CONNECT TO YOUR VOICE ASSISTANT To control your device with your voice, connect your Wyze account to Alexa or Google Assistant. Alexa 1 Open up the Wyze app, go into your Account settings, then tap on Smart Integrations to link Alexa to your Wyze account. 2 You can also link your Wyze account by asking Alexa to "Enable Wyze skill." If you have not downloaded the Alexa app you can download it from the App Store or Google Play store or go to alexa.amazon.com to search for and enable the Wyze skill.					
1 Once enabled, follow the on-screen instructions to link your Wyze account to Alexa. You will be prompted to enter your Wyze username and password to authorize Alexa to access your device. 2 Select Add Device so that Alexa can find your device. You can also say, "Discover my devices." After Alexa finds your device, it's listed under Devices in the Smart Home section of the Alexa app. Google Assistant 1 Download & configure the Home app by Google. 2 Launch the Home app. 3 Tap Add. 4 Tap Set up device. 5 Tap Works with Google. 6 Find the Wyze Home listing & log in with your Wyze account. 7 Google Assistant will automatically sync and populate a list of the devices from your Wyze account. FCC WARNING Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment. This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and , if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures: (1) Reorient or relocate the receiving antenna. (2) Increase the separation between the equipment and receiver. (3) Connect the equipment into an outlet on a circuit different from that to which the receiver is connected. (4) Consult the dealer or an experienced radio/TV technician for help. RF RADIATION EXPOSURE STATEMENT This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. This equipment should be installed and operated with minimum distance of 20 cm between the radiator and your body. ISED RSS WARNING This device complies with Industry Canada licence-exempt RSS standard(s). Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. Le présent appareil est conforme aux CNR d'Industrie Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes : (1) l'appareil ne doit pas produire de brouillage, et (2) l'utilisateur de l'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement. ISED RADIATION EXPOSURE STATEMENT This equipment complies with IC radiation exposure limits set forth for an uncontrolled environment. This equipment should be installed and operated with minimum distance of 20 cm between the radiator and your body. Cet équipement est conforme aux limites d'exposition aux rayonnements de la IC établies pour un environnement non contrôlé. Cet équipement doit être installé et fonctionner à au moins 20 cm de distance d'un radiateur ou de votre corps. NEED HELP?
