Subject: CONFIDENTIALTY REQUEST

Dear Sir or Madam;

Powerwave Technologies respectfully requests confidentiality of certain materials provided with the submission of the USU **US700PS** under **FCC ID: E67-5JS0079** in accordance with FCC Regulations 0.459. The confidentiality request applies to the schematic diagrams, **SCH0000000099, SCH0000000069 and US700PS Parts List**, contained in Exhibit 2. The USU has been developed at considerable effort and expense by Powerwave Technologies. These items are considered as Trade Secrets and therefore public access to the proprietary material could possibly result in duplication of equipment that could severely damage the company's business advantage.

I appreciate your assistance in this manner.

Yours sincerely,

Name: Stan Habinski, P.Eng.
