T03-00330-AAAA

SN:LC173270001

7.4V 2000mAh 14.8Wh

Made in China

Li-ION Battery:

Warning: Risk of fire, explosion or burns. Do not short-circuit, incinerate, overheat, disassemble or crush. Use only with approved chargers. See recycling and disposal instructions.

Avertissement: Risque d'incendie, d'explosion ou de brûlures. Ne pas court-circuiter, écraser, surchauffer, incinérer or démonter. N'utiliser qu'avec les chargeurs approuvés. Voir les instructions de recyclage et d'élimination

Advertencia: Riesgo de incendio, explosión o quemadura. No exponer a corto a cortocircuito, machacar, sobrecalentar incinerar ni desmontar. Usar sólo con cargadores autoizados. Ver instrucciones de reciclaje y eliminación.

EUT –LCD Board View

This photograph shows the EUT LCD board, a small green printed circuit board (PCB) with various electronic components. The board is labeled "TP3350LCD-V02" and "Y170616". It features a central LCD display area, several integrated circuits, and a connector on the right side. A yellow ruler is placed below the board for scale, showing measurements in inches and centimeters.

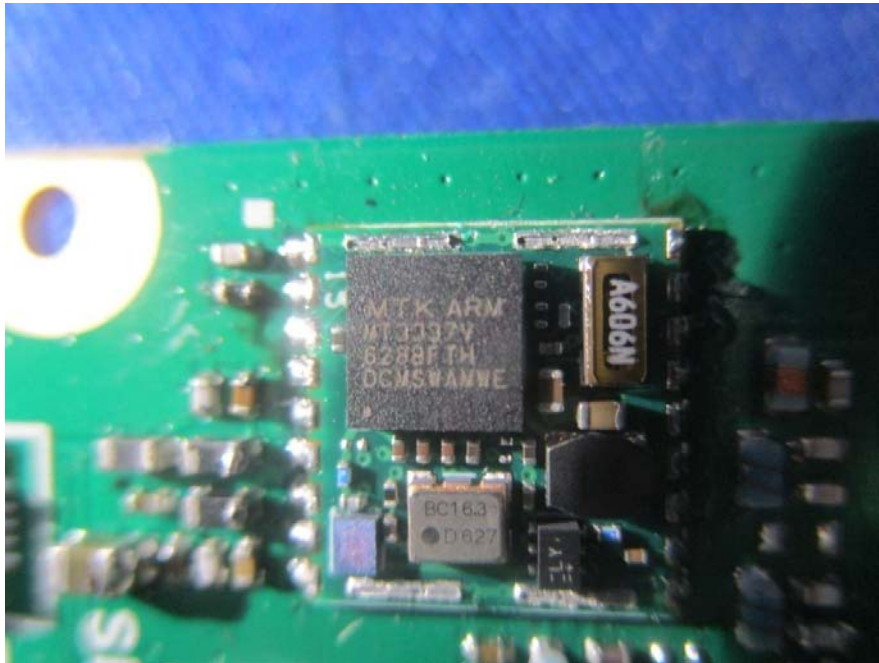

EUT –BT Chip View

This close-up photograph shows the EUT BT chip, a small black integrated circuit (IC) mounted on a green PCB. The chip is labeled "CSR86", "70CG", and "K613VS3". It is surrounded by various passive components, including resistors and capacitors, and is connected to the PCB pads by solder joints.
