

The image shows the back of a mobile device, possibly a PDA or early smartphone. It has a silver-colored metal frame with a black plastic back cover. A small gold-colored screw is at the top center. A black rectangular label with white text is in the center. At the bottom, there are two screws and a small horizontal slot.

WARNING

Device restricted to occupational use to
satisfy FCC RF exposure compliance.

See owner's manual for specific operating
requirement.
