Dear Mike,

Please see our response right below each question. Thanks.

Question #1: Please provide emission designator and necessary bandwidth (justify with 2M+2DK rules).

Response:

Emission designator is 2M+2DK=2(1200bps/2)+2(9kHz/2)=10.2K. Emission designator is 10K2F1D.

Question #2: User manual does not include RF exposure warning statement. Please provide revised user manual to comply this requirements.

Response:

User manual had been revised to include the RF exposure warning statement. Please refer to new uploaded manual.

Question #3: EUT is requesting to certify under Part 90 of FCC rules. However, EUT label indicates this device comply with Part 95 of rules. Please provide correct FCC ID label format.

ID label has been corrected, please refer to new up loaded ID label.

Steve Cheng
