> Re: Itronix Corporation FCC ID: KBCIX260PNLA580BT FCC Part 15C Certification Request for Confidentiality

Pursuant to 47 CFR 0.457(d) and 0.459 of the FCC Rules, Itronix Corporation and Senao International Co., Ltd. hereby request confidentiality of the Senao Block Diagram(s), Senao Schematic Diagram(s), and RangeStar Antenna Specification attachments for the subject application.

These documents contain detailed system and equipment description and related information about the product in which Itronix Corporation and Senao International Co., Ltd. considers to be proprietary, confidential, and a custom design and, otherwise, would not release to the general public. Since this design is a basis from which future technological products will evolve, Itronix Corporation and Senao International Co., Ltd. considers that this information would be of benefit to its competitors, and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Sincerely,

Fred Phillips Certification Engineer ITRONIX CORPORATION
