Columbia, Maryland 21046

Re: Request for confidentiality
FCC ID: TCZ-10105642G1

To whom it may concern,

Carrier Fire & Security Americas Corporation is submitting this application for the certification of product model Invoy, under brand name Supra.

The radio used in the system is Bluetooth (2.4 GHz frequency band). The type of equipment approval that is being sought is an original certification, per applicable rule parts 15.247. The FCC ID number of the system will be TCZ-10105642G1.

Sincerely,

DocuSigned by:
