

Federal Communications Commission  
7435 Oakland Mills Road  
Columbia, MD 21046

September 11, 2006

Dear Examiner:

We request the following portions of our application be withheld from public inspection as provided under FCC section 0.459:

Antenna Specifications: DL1\_WLAN\_Antenna\_Info.pdf  
Operational description of BIOS Lock: Confidential\_BIOS\_Lock.pdf

These documents contain details of the proprietary operation of the product not readily discernible - even to technically sophisticated individuals - from our hardware and constitute trade secrets.

Sincerely,

---

Michael Green / Manager, Global Product Compliance  
Atheros Communications Inc.
