View 1**

Solder Board-Component View 2	 A photograph of a small, dark-colored printed circuit board (PCB) component. The component is irregularly shaped with several solder pads and components. It is placed on a blue fabric surface next to a black ruler with white markings. The ruler shows measurements in millimeters (0 to 100) and centimeters (0 to 10). The component is positioned horizontally, with its longer side parallel to the ruler's markings.
Solder Board-Component View 3	 A photograph of a cylindrical blue component, likely a battery or capacitor, with a white label. The label contains technical specifications and safety warnings. Two red wires are connected to the component. It is placed on a blue fabric surface next to a black ruler with white markings. The ruler shows measurements in millimeters (0 to 100) and centimeters (0 to 10). The component is positioned horizontally, with its longer side parallel to the ruler's markings.
