3465 Diablo Ave.  
Hayward, CA 94545

Federal Communications Commission  
7435 Oakland Mills Road  
Columbia, MD 21046

Gentlemen:

This is your letter of authorization to accept out appointment of CKC Laboratories, Inc. as Agent for Davis Instruments located in Hayward CA to sign applications before the Commission on our behalf, and to receive and exchange data between our company and the commission in connection with certification of the following Davis product:

The device we are requesting certification for is our Integrated Sensor Suite (Product No. 6320W). The device is mounted outside a home and monitors the weather. In addition to reading it's analog and digital sensors, it transmits every 2.5 seconds a 6 byte packet of data to other receiving devices that are currently being developed by Davis Instruments. The transmitter is operating at 916.5 Mhz and uses less than 1 mW or power. Please send the FCC authorization to me, Brett Preston.

We, the applicant certify that, in the case of individual applicant, he or she is not subject to a denial of federal benefits pursuant to section 5301 of the Anti-Drug Abuse Act of 1988, 21 USC 853a or in the case of non-individual applicant (e.g. corporation, partnership or other unincorporated association), no party to the applicant is subject to a denial of federal benefit pursuant to that action.

This authorization will expire one year from the date of this letter.

Sincerely,

A handwritten signature in black ink that reads "Brett Preston". The script is cursive and fluid, with the first letters of "Brett" and "Preston" being capitalized and prominent.

Brett Preston  
Director of Engineering
