

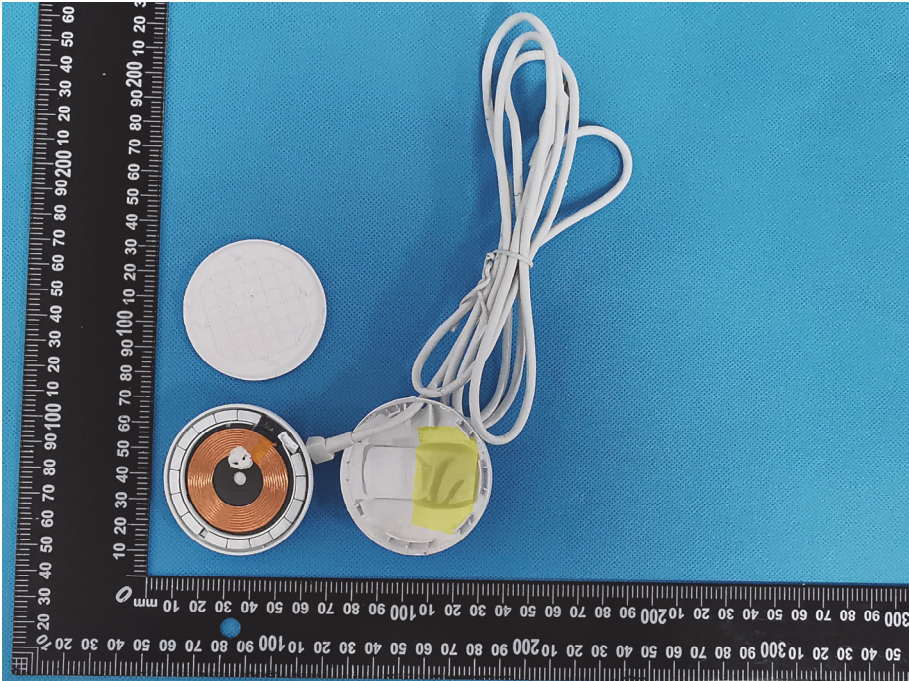

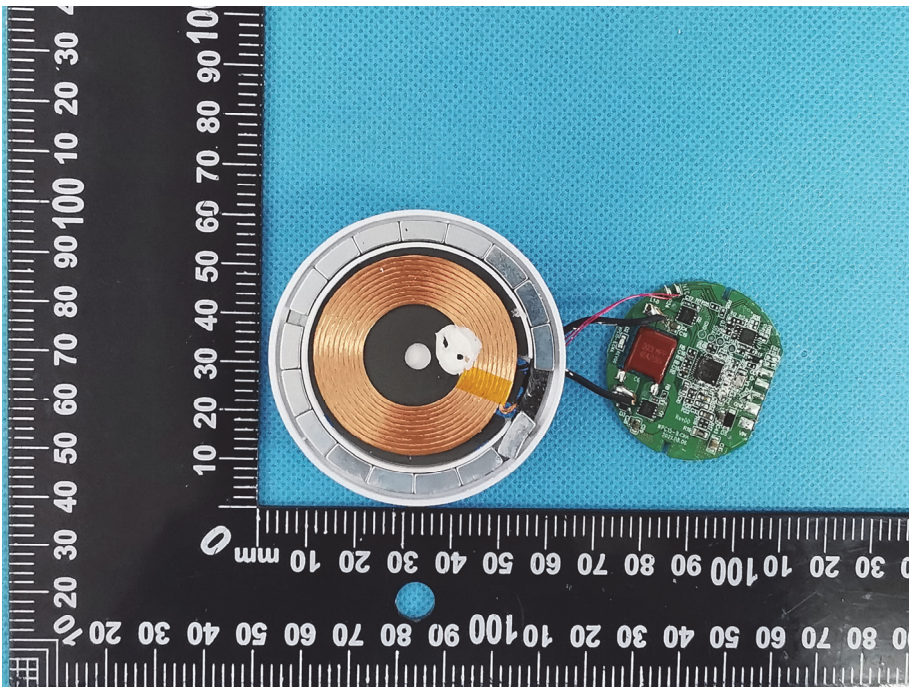

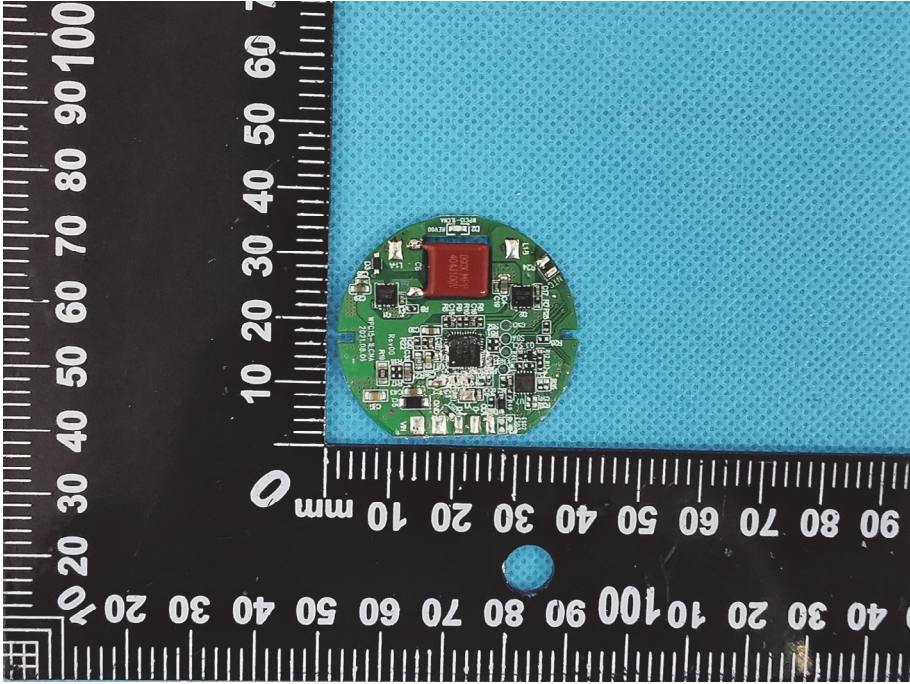

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

EUT Housing and Board View 1	 This photograph shows the external components of the EUT. On the left is a circular silver-colored metal housing with a copper-colored coil inside. To its right is a white plastic component with a yellow adhesive label. A white cable is coiled to the right. A black ruler with white markings is positioned vertically on the left and horizontally at the bottom for scale. The background is a blue textured surface.
EUT Housing and Board View 2	 This photograph shows the internal components of the EUT. The circular silver-colored metal housing is on the left, revealing the copper-colored coil and a small white component. To its right is a green printed circuit board (PCB) with various electronic components, including a red component. A black ruler with white markings is positioned vertically on the left and horizontally at the bottom for scale. The background is a blue textured surface.
