

OnAsset Intelligence Inc. Model Difference Letter

Date: March 25, 2019

FCC ID: 2ARLF-100

Model Numbers:

Sentinel 100

Sentinel 100A

Sentinel 100L

To whom it may concern,

Model numbers Sentinel 100, Sentinel 100A and Sentinel 100L are of the same technical construction, software design RF modules, antennas, circuit design and PCB layout. The only difference is in the model number.

Sincerely,

A handwritten signature in black ink that reads "Dennis Shawn Key".

Dennis Shawn Key

VP of Operations
