Subject: Response to the FCC Correspondence Reference Number **25607** for additional information on RIM BlackBerry Wireless Handheld FCC ID L6AR6030GE, 731 Confirmation Number **EA939568**

Dear Steve:

The following addresses your inquiries **Correspondence Reference #25607**, dated August 15, 2003:

ITEM 1:

The photograph below shows the location of the internal antenna.

3, Research In Motion Limited

ITEM 2:

The SAR values on page 7 are the worst case results from the SAR report for the BlackBerry Model R6030GE.

The following values match the SAR report and the users manual:

1 g head SAR is 1.48 W/kg

1g body SAR with holster is 0.27 W/kg

1 g body SAR with leather case is 1.26 W/kg

Please do not hesitate to contact the undersigned should you require additional information or have any questions.

Yours truly,

Masud S. Attayi, P.Eng.
