APP

HOME — See scent, temperature and humidity status at all rooms and adjust all scent intensities at once.

EDIT ROOM — Edit the name, type, scent or remove device.

FAN — BOOST will also activate the HVAC system fan to provide better distribution of the scent throughout your home when permission is granted to Nest app.

REFILL LEVEL — Indicates how much scented oil is left.

INTENSITY DIAL — Change the intensity of scent in room by swiping the white dial up and over.

REFILL — Quick refill order.

PROTECT — Flashes red light in the event your Nest Protect alarm is activated. Flashes yellow light when a head-up alert is activated.

AWAY — Utilizes the Away Mode of your Nest Learning Thermostat to reduce the scent intensity setting when you leave throughout your home and keep things fresh – and odor free – when it matters most.

NIGHT LIGHT provides continuous light throughout the night.

PATH LIGHT turns on the motion sensor to automatically activate a LED to light your way for 10 seconds as you walk past.

LIGHTS

MODES

SCENT REFILLS

Febreze UNSTOPABLES

SPRING & RENEWAL So bright, refreshing scent eliminates odors and brings those first rays of sunshine and spring blooms to your home.

LINEN & SKY A scent so airy, your guests will think you live in a cloud. An odor-eliminating, noticeably fresh cloud.

MEDITERRANEAN LAVENDER It'll turn your home into a tranquil overseas escape—without the jet lag or the travel-induced odors.

MEADOWS & RAIN Enjoy the fresh, dewy scent of a rainy day—without ever getting wet.

SHIMMER & SHINE Enjoy a light, with a fruity, floral freshness.

FRESH & FLIRTY Make a scene—and completely transform the feel of the room with any undertones and crisp vibrant, layers.

CRISP & CLEAN Tell tough odors to take a hike with the invigorating blend of lemony verbena, crisp cucumber, and cool, watery notes.

GAIN ORIGINAL SCENT away odors with that fresh, floral notes. Now you can smell like a laundry enthusiast—without folding a thing.

TIDE ORIGINAL SCENT Wash

LUSH & LUXURIOUS A lush embrace made of bright flowers, cedar undertones, and vanilla layers that transform your room into a cathedral of haute couture, avant-garde, and other assorted fancypants terms of the nouveau riche.

QUICK START

INSTALLATION / OPERATING INSTRUCTIONS

1. Unscrew both caps on oil refill and discard.
2. Insert oil refill unit completely into the Febreze Home smart air freshener until you hear a click.
3. Insert smart air freshener upright into outlet. Rotate plug if necessary. Placing smart air freshener on its side or upside down will cause leakage.

NOTE: To disconnect from wi-fi, remove the scent cartridge and press and hold the white button until the blue light glows. To reset to manufacturer defaults, hold the white button until the pink light glows.

APP SETUP

1. Download the Febreze Connect app at:
   - App Store
   - Google Play
2. Follow prompts in app
3. Add a device.

NOTES

CLEANING INSTRUCTIONS Fragrance oils may collect on the warmer over time. To clean, remove warmer from the outlet and wipe with clean, dry cloth.

USER MAINTENANCE There are no user maintenance parts; Do not open device.

MOVING & STORAGE INSTRUCTIONS Do not place fragrance bottles or caps on finished wood surfaces. Do not use sideways or upside down as the perfume oils will leak. Discontinue use if the unit is dropped or damaged.

INSTRUCTIONS PERTAINING TO A RISK OF FIRE, ELECTRIC SHOCK, OR INJURY TO PERSONS IMPORTANT SAFETY INSTRUCTIONS. PLEASE SAVE

WARNING: When using electric products, basic safety precautions should always be followed: Read all instructions before using. To reduce risk of injury, keep out of reach of children and pets. Product not a toy. Intended for adult use only. Do not put fingers into product vent to avoid contact with wick and minimize potential for burns.

RISK OF ELECTRICAL SHOCK AND FIRE HAZARD Use only in properly functioning 120-volt electrical outlet. For indoor use only. Do not use with extension cords. Do not immerse in water or use in damp/wet areas. Do not use around open flame. Keep warmers and refills away from furniture, fabrics, bedding and other materials which might present a fire hazard. Do not obstruct or block airflow from unit. Use only in areas with at least 30 cm/12" clearance above the unit to avoid potential discoloration of surrounding surfaces. To reduce the risk of electrical shock, this warmer has a polarized plug (one blade is wider than the other). This plug will fit in a polarized outlet only one way. If the plug does not fit fully in the outlet reverse the plug. If it still does not fit, contact a qualified electrician to install the proper outlet. Do not use in small confined pet areas without adequate ventilation.

FCC NOTIFICATION This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. The user is cautioned that changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

CAUTION: EYE IRRITANT. Avoid contact with eyes and skin. Do not put fingers into product vent. Wash hands after handling. KEEP OUT OF REACH OF CHILDREN AND PETS. FIRST AID TREATMENT: Contains fragrance oils. IF SWALLOWED, call a physician or poison control center immediately. Do not induce vomiting. If in eyes, rinse with plenty of water for 20 minutes. If eye irritation persists, consult a physician.
