Alarm Clock Wireless Charger

Model: RCQ520

Input: 5V  $\Rightarrow$  2A / 9V  $\Rightarrow$  1.67A

Wireless Output: 5W/7.5W/10W

USB Output: 5V  $\Rightarrow$  1A

FCC ID: VIXRCQ520

IC: 21578-RCQ520

Made in China

This device complies with part 15 of the FCC Rules.

Operation is subject to the following two conditions:

(1) This device may not cause harmful interference, and

(2) this device must accept any interference received, including interference that may cause undesired operation.

CAN ICES-3 (B)/NMB-3 (B)
