Ref: Request to add a new model to an existing family (Modification)
for FCC Certification No: SDL-PR3XR02
(Original Grant date:07/18/2013)
Applicant: Hilti Corporation

Dear Examiner,

This is a request to add a new model to an existing family under FCC Certification No: SDL-PR3XR02 originally granted on 07/18/2013 . The new model is **PR 300-HV2S rotating laser**

The difference between PR 300-HV2S to the existing family is:

- **Main board change**
 - a. **Connector (SLOPE) – 10 pol JST connector exchanged with 10 pol Molex connector**
 - b. **Layout adaptation accordingly**
- **RF board is identical for both rotating lasers**
- **Slope board changed, added one more slope sensor**

If you have any questions regarding this application, please feel free to contact me.

Sincerely,

A handwritten signature in blue ink, appearing to be 'T.R.'.

Mr. Thomas Ring
